Speaking Strategy

Avoiding Repetition

Why people leave out some words? Is it because:

1. They are lazy and do not want to repeat information?
2. It is not necessary to repeat information?
3. They don't know what to say?
4. It helps the conversation move naturally?

Examples:

-Did you get it back?

No, I didn't

No, I didn't get it back

-Well, I'm free now.

Are you free?

Are you?

-Do you like to join me to the park?

Yes, I would like to.

Yes, I would like to join you to the park.

-Did you send the letters to the boss?

Yes, I did

Yes; I sent the letters to the boss.

-How was the rest of your weekend?

Not bad thanks. How was yours?

Not bad thanks. How was your weekend?

-What's your name?

My name is Ahmed. What's yours?

My name is Ahmed. What's your name?

Telephone numbers & Email addresses

. → dot

Speaking Strategy

Describing things

When we want to describe something ,we use the following:

Size	Colour	Age	Brand	Type	Other
Big	silver	3 years old	Gucci	digital	Hard case
Small	red	Quite old	Nokia	sports	Black handles
	brown	new	Nikon	Women's	

- They are Gucci sunglasses. They're brown .They have a hard case.
- It's a big red sports bag. It's quite old and it has black handles.
- It's a Nokia mobile phone. It's small and black.
- It's Tiffany golden ring with a diamond .It's for women.
- I have a brown leather wallet.It's very old and it's got some photos inside.
